3. Book              To own or hold something
4. Phone            A container to carry your things
5. Bag                A device to call or send messages

## Reading: Ali's Personal Possessions

Ali is a boy who likes to keep his things neat. He has many personal possessions. He has a red backpack. The backpack has many pockets. Ali has his books and notebooks in the backpack. He also has a pencil case. The pencil case has pens, pencils, and an eraser.

Ali has a mobile phone. It is black and small. He has many apps on his phone, but he only uses it after school. Ali has a watch on his wrist. It has a blue strap. He likes to know the time.

Ali's mother has a big handbag. The handbag has keys, a wallet, and some makeup. Ali's father has a car. The car has four doors and is white.

Ali's best friend, Emre, has a pet dog. The dog has brown fur and big eyes. Emre has a bicycle. The bicycle has two wheels and a bell. Ali has a bicycle too, but it is red and smaller than Emre's.

At school, Ali has a desk with his name on it. He has a chair to sit on and a computer to work with. Ali has many things, but he always takes care of his possessions carefully.

Ali thinks personal possessions are important. They help us every day. Ali likes to know he has everything he needs.
