## Reading: The Colourful Room

Elif has a very colourful room. There **is** a red chair next to her desk. The chair is soft and comfortable. On the wall, there **is** a big blue clock. Elif likes the clock because it is bright and easy to read.

There **are** many books on Elif's shelf. Some books have green covers, and some have yellow covers. Elif loves reading all her books every day. There **are** also some small plants on the shelf. The plants are green and healthy.

On Elif's bed, there **is** a pink pillow and a blue blanket. The blanket is warm and soft. Elif's favourite colour is purple, but she has no purple things in her room yet.

There **are** colourful pictures on the walls. There is a picture of a yellow sun, a green tree, and a red flower. Elif painted these pictures by herself. She likes to use many colours.

In the corner, there **is** a big white lamp. The lamp gives light when Elif reads at night. There **are** many toys on the floor. Some toys are orange, some are blue, and some are purple.

Elif's room is full of colours. She thinks colours make her happy. Every morning, Elif looks around her room and smiles because she loves her colourful things.
